WORK EXPERIENCE 💼

Web Developer - Everseen Limited - 09.2020 - currently

- ✓ Component Development: Employed React, TypeScript, SCSS, Bootstrap, and Styled Components within a Node.js environment to develop reusable components and implement innovative features, ensuring cross-browser compatibility and consistent performance across platforms.

- ✓ UI/UX Collaboration: Worked closely with UX/UI designers to transform design concepts into functional, user-friendly interfaces. Through ongoing collaboration, contributed to iterative design improvements, enhancing the overall user experience.

- ✓ Agile Development: Experienced in Agile methodologies, utilizing tools such as Jira and Confluence to foster efficient collaboration and project management in fast-paced development environments. Proficient with GitLab for version control, ensuring code integrity, maintainability, and seamless team collaboration.

- ✓ Scalable Interface Development: Skilled in building and optimizing scalable interfaces that deliver a seamless user experience, addressing diverse user needs and supporting business growth objectives.

- ✓ Teamwork: A collaborative and results-driven team player, excels in dynamic team environments by leveraging collective expertise to achieve high-quality outcomes. Consistently contributes to project success through effective communication and shared problem-solving.

Head of FASO department - Moemax Ro - 09.2018 - 06.2020
